

Biography – Shirley Bell

I have been involved in the world of pure bred dogs for 35 years. My first purebred dog was a Basset Hound. Next came Boxers, and now, along with the Boxers, we co-own a Boston Terrier.

I have bred numerous Canadian and American Champion Boxers, one of which was Grand Prize Futurity winner and WD/BW at the 1984 ABC Can/Am Champion Bellcrest Just Watch Me SOM LOM. “Texas” was the sire of 36 Canadian Champions and 7 American Champions.

Can/Am Ch Bellcrest Selectively Yours was a particular favourite and a Group winner. She finished her American Championship easily back in the days when it was not common to see plain brindle Boxers in the ring. Her Son, Ch Bellcrest Worth the Wait SOM LOM is the sire of 37 Canadian Champions and 4 American Champions.

In my career as a Boxer handler in Canada, I was privileged to have handled some top Specialty winners, many of which went back to my own breeding.

I am a life member of the Boxer Club of Canada and the Canadian Kennel Club as well as my own local All Breed Club (Nipissing Kennel Club Inc). I am also a long time member of the American Boxer Club Inc.

I created the PowerPoint Presentation “Judging the Boxer”. This presentation is approved by the Boxer Club of Canada Inc. and used for judges education.

I have judged large Boxer Specialties in 3 countries, Canada, US and Australia.

I am CKC licensed to judge the Working Group, and have judged many working breeds in both Canada and the US.
